## DEATH DEALT BY SHAKY HAND

Drunken Man Falls to Rob but He Murders.

Kansas City, Nov. 27.—In an attempt to hold up and rob J. Frank Emery, proprietor of the Kentucky house, a second rate hotel at 905 North Sixth street in Kansas City, Kans., Emery was shot and killed and Lee Simons, a negro porter, was shot in the shoulder and slightly wounded. Charles Rumble, aged 32, an iron molder, from Independence, Mo., one of the would-be robbers, was shot in the cheek by officers, who pursued him and Sam Hutton.

Rumble and Hutton were intoxicated. They entered the hotel, and walking over to the desk, told Emery to hand over his money. No guests were in the lobby at the time. Emery told them to get out, that he had no money. The men staggered from the desk apparently to make their departure. When they reached the door, however, Rumble braced himself against it and with a shaky hand fired two shots at the hotel proprietor. Guests rushed into the lobby and found Emery dead, lying across the hotel register, which was spread open on the clerk's desk. One bullet from Rumble's revolver went wild. The second had pierced Emery's chest just below the heart, causing almost instant death.

Rumble and Hutton fled down the stairway. There they encountered Simons, the porter, who had been attracted by the shots and was just ascending the steps. Rumble fired a shot at Simons that struck the porter in the shoulder, and the robbers pushed by him and bolted for the street.

Rumble and Hutton were seen by the officers on Minnesota street, a block away from the hotel, and gave chase, firing as they ran. One bullet struck Rumble a glancing blow on the cheek and caused the molder, because of his drunken condition, to stagger and fall. Hutton stopped and the pair were soon landed in jail.

Want Tillman Gagged.  
Chicago, Nov. 27.—A committee of negroes, headed by Rev. A. J. Casey, pastor of Bethel M. E. church called upon Mayor Dunn and asked that he use the police force if necessary to prevent the delivering of an address on the race question by Senator Tillman next Tuesday night, on the ground that the address would be a menace to public safety. Mayor Dunn, after receiving the committee wrote a letter to Mrs. Adele Keeler, secretary of the Chicago Union hospital, for the benefit of which Senator Tillman is to speak, declining to act as chairman at the meeting.

A Pretty Experiment.  
A very pretty effect may be produced by using some aniline dye in powdered form in alcohol. Fill a small glass with the alcohol and drop the smallest portion of the dye on its surface. It will shoot down through the liquid, like a strand of color, dividing into two branches, which will subdivide again and again until you have, apparently, an inverted plant in miniature growing before your eyes. An arrangement of mirrors may be made to throw the reflection of this on a screen or a wall, and the enlarged shadows will be very interesting to watch.

We Guarantee Satisfaction.  
J. A. Brogdon, of the National Sign Co., Dayton, Ohio, writes under date of Oct. 12, 1906: "NOSENA is the only preparation I have ever used that relieves my affliction so speedily and pleasantly. I am getting the first real pleasure out of breathing that I have experienced since I contracted catarrh six years ago. Money would not buy my tube of NOSENA if I could not get another."

## POLICEMAN JONES WAS SHOT.

Tragedy in Decatur, Ala., On Sunday Morning.

Decatur, Ala., Nov. 27.—J. Lem Jones, night policeman in Decatur, was fatally shot, about 1 o'clock Sunday morning, in front of the house of Alice Williams, who runs a resort on the river front and Alabama street.

About 12:30 o'clock the Williams woman telephoned to the mayor's office and asked that an officer be sent to her house. Jones, being in the office, proceeded to see what the trouble was. On reaching the house, Wayne Moore and Will Wade was pointed out to him by the Williams woman as the parties doing the shooting and causing the disturbance. He placed Moore under arrest and started out of the door with him, when Will Wade shot him from behind, the bullet striking Jones behind the ear, and he fell on the porch. Ward and Moore escaped, and have not been yet captured. He was removed to his residence and died at 7:30 o'clock Sunday morning.

Lem Jones was one of the most popular men in Morgan county, and a brave and fearless officer. He was defeated for sheriff by a few votes at the August primary, and has been on the police force since. He was a very prominent Mason, and councillor of the Winona council, No. 3, J. O. of U. A. M. The coroner has empaneled a jury, and an investigation will be made. Alice Williams, Jim Richard and Harry Copeland were arrested and placed in jail to appear before the coroner's jury.

The people of Decatur are very much worked up over the affair. This is the third police officer that has been killed in Decatur in the discharge of his duty in the past eighteen months.
